

FOREIGN CLAIMS SETTLEMENT COMMISSION  
OF THE UNITED STATES  
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

SAMUEL DIAMOND

Claim No. CU - 3581

Decision No. CU - 2118

Under the International Claims Settlement  
Act of 1949, as amended

Counsel for claimant:

Jacob Y. Becker, Esq.

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by SAMUEL DIAMOND, and is based upon the asserted loss of \$34,142.82, sustained in connection with the ownership of a stock interest in Compania Litografica de la Habana, S.A. (Havana Lithographing Company) hereinafter referred to as Havana Lithographing. Claimant has been a national of the United States since his naturalization on December 18, 1918.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964), 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

On the basis of evidence of record, the Commission finds that claimant is, and since prior to October 13, 1960, has been the owner of 10,600 shares of common stock of Havana Lithographing. The certificates representing the shares in question are Nos. CLCH 15493, 15497-98, 15878-80, 15882-86, 17912-13, 18046-53, 19328-30, 26142-62, 23014-17, 23872-74, 24122-30, 24147, 24153, 24403-06, 24434, 24438-39, 24453-63, 24465-66, 24473-75, 24493-96, 24502-10, 24536, 24636, 11600-04, inclusive.

The record discloses that Havana Lithographing Company was nationalized by the Government of Cuba under Law 890, published in the Cuban Official Gazette on October 13, 1960. This corporation was organized under the laws of Cuba and does not qualify as a corporate "national of the United States" defined under Section 502(1)(B) of the Act as a corporation or other legal entity organized under the laws of the United States, or any State, the District of Columbia or the Commonwealth of Puerto Rico, whose ownership is vested to the extent of 50 per centum or more in natural persons who are citizens of the United States. In this type of situation, it has been held previously that a stockholder in such a corporation is entitled to file a claim based upon his ownership interest therein. (See Claim of Parke, Davis & Company, Claim No. CU-0180.)

In determining the value of the interest owned by claimant in Havana Lithographing, the Commission has considered an unaudited balance sheet, with supporting schedules, as of July 31, 1960, an affidavit of the former President of Havana Lithographing, appraisals and valuations of the assets of the corporation prepared in 1960 and 1967, and insurance values for

all assets. On the basis of all the evidence of record, the Commission finds that \$1,356,012.12 is the amount that would have been available at the time of loss for distribution among the 540,218 shares of common stock issued by Havana Lithographing. The Commission thus concludes that the dollar loss sustained in connection with the ownership of a common stock interest in Havana Lithographing was \$2.51 per share of common stock issued and held at the time of loss. (See Claim of Central West Company, Claim No. CU-3440.)

Accordingly, in the instant claim, the Commission finds that claimant, as holder of 10,600 shares of the common stock of Havana Lithographing, suffered a loss in the amount of \$26,606.00 within the meaning of Title V of the Act, as a result of the nationalization of Havana Lithographing by the Government of Cuba on October 13, 1960.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. 531.6(d) (Supp. 1967).)

Claimant submitted stock certificates and brokerage purchase slips in addition to these enumerated herein. However, the evidence of record establishes that these shares are owned by Herbert Diamond, claimant's son. Consequently, this portion of the claim is hereby denied.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement. (See Claim of Lisle Corporation, Claim No. CU-0644.)

Accordingly, the Commission concludes that the amount of loss sustained by the claimant shall be increased by interest thereon at the rate of 6% per annum from October 13, 1960, the date of loss, to the date on which provisions are made for settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that SAMUEL DIAMOND suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Twenty-Six Thousand Six Hundred Six Dollars (\$26,606.00) with interest at 6% per annum from October 13, 1960 to the date of settlement.
